SAVINGS SHARE CERTIFICATES- NEW RATES AND TERMS!

Good Samaritan Federal Credit Union is now offering longer terms and new higher rates on its share certificates (CD's.) Besides our current certificate offerings of 6-months and 12-months, we now have longer-term certificates of 2-years and 3-years.

Please check on the list to the left for the newest rates on these investment options. If you have any questions, please call the credit union at the number above.

IT'S ALMOST TIME AGAIN FOR CHRISTMAS CLUB CHECKS!

WHAT?? That went fast. Another year has flown by. The credit union will be processing the Christmas Club checks the first week of November. You should have your check no later than November 15th and hopefully before that. If you do not have it by November 15th, please contact us here at the credit union. 1-800-488-4584.

Christmas Club is a great way to save money all year for all the extra expenses of the holiday season. You can deduct any amount you wish and have it add up all year. We will send out a check to you with your total amount saved. Saving money is hard, but doing it a little every payday can make it seem less painful. Just \$20 every check will add up to \$520 for the year if you have all 26 paydays deducted.

If you are getting a check this year- **congratulations and happy spending!!** And your Christmas Club savings will just continue on for next year without you needing to sign up again. If you would like to change the amount you had deducted, please fill out a new CU2 (payroll deduction form) either at your business office or by contacting the credit union if you no longer work at GSS.

If you have not previously saved in the Christmas Club, you can start at any time by filling out a payroll deduction form with the business office at your center. If you no longer work at GSS and would like to start an account, please contact us directly. Around the first part of November, we will also be sending out sign-up sheets to the GSS facilities for new savers. Please call with any questions.
